LANGUAGE

English
C1

Passionate about **design**, **digital innovation**, and **understanding people's needs**, I have naturally transitioned into **Product Design**.
With **over 10 years of experience**, I have successfully collaborated with **product managers** and **technical teams** across diverse sectors such as healthcare, craftsmanship, and well-being.
My focus is on **creating innovative**, **user-centric**, and **accessible products** that drive both business goals and user satisfaction.

WORK EXPERIENCE

SENIOR PRODUCT DESIGNER

DentalMonitoring | 03/2019 - present

Complete redesign of the Insights platform for practices to simplify data reading and improve usability for doctors.

Full redesign of the Practice interface for DentalMonitoring, including the integration of a 3D viewer for improved clinical analysis.

UX & UI design of the patient-facing application, ensuring a seamless and engaging experience.

Complete UX and UI overhaul of the orthodontists' application, optimizing their workflow and efficiency.

Unification of the SmileMate interface following its acquisition by DentalMonitoring, ensuring product consistency.

Creation of a virtual consultation workflow for SmileMate and a dedicated patient space, improving remote care accessibility.

Development of SmileMate's UX/UI identity and website, aligning branding with the digital experience.

PRODUCT DESIGNER

MyBestPro | 06/2012 - 11/2018

PRODUCT DESIGNER

UX and UI design for the Génie, Wengo, RDVmedicaux, and Bordas soutien scolaire applications, ensuring an optimized and user-friendly experience for each platform.

Creation of the visual identity for MyBestPro Group and WePhone, aligning branding with the company's mission and values to strengthen their digital presence.

Creation of brochures for RDVmedicaux, Juritravail, and Wengo, supporting brand communication and business objectives.

WEBDESIGNER

Integration of the website redesign for Habitatpresto, coding in HTML and CSS using Bootstrap.

Creation of marketing content for Habitatpresto, including landing pages, email campaigns, and other digital assets to drive engagement and conversions.

GRAPHIC DESIGNER

Creation of marketing content for Wengo including landing pages, email campaigns, and other digital assets to boost engagement and conversions.
