Contrat de professionnalisation (Webdesigner)
Institut F2I | 2013

BTS de Communication Visuelle (Multimédia)
L'Initiative | 2011

LANGUAGE

English
C1

Passionate about design, digital and people, it is quite naturally that I turned into Product design.
For more than 10 years, I have worked in close collaboration with product managers and technical teams in different universes (health, crafts, well-being, etc.) in order to design innovative and accessible products centered on people.

WORK EXPERIENCE
